American Legion Building and Loan Had Profitable Year

NEW SERIES OPENS SEPTEMBER 6TH—BOTH SINGLE AND DOUBLE SHARES OFFERED BY ASSOCIATION.

The Narberth American Legion Building and Loan Association has just closed a successful initial year and invites attention to its fifth series of stock to be opened September 6th, subscriptions for which are now being received. This news is of particular interest because the Association is now offering, in addition to single shares, double shares, which have proved so attractive to investors.

First Year Notably Successful.

The Board of Directors after an audit of the books of the Association have determined the profits for the year to be 7.7%.

It is to be noted by reference to the report of the Association that approximately one-half of the incorporation expenses have been charged off the first year, the practice in many associations being to charge off such expenses over a period of five to ten years. Taking into consideration this fact, the profit is exceptional for the first year of a building and loan association.

A Representative Board of Directors.

Prospective investors are above all interested in the personnel of the Board of Directors. The Association was incorporated by our veterans of the Great War, the younger and the coming men of the community. To this foundation has been added several of our prominent citizens, so that the personnel is well representative of the community. The Board of Directors now includes: Isadore A. Miller, Maurice D. du Marais, James W. Follin, Henry T. Nash,

Typhoid Epidemic On Main Line

LOCAL HEALTH BOARD ISSUES WARNING—NO CASES IN NARBERTH AS YET.

Health authorities of Haverford and Lower Merion Townships have sent out warnings that all milk and drinking water be boiled. There have been reported 47 cases of typhoid in Preston, Bryn Mawr, Brookline, Penfield and Oakmont.

The Narberth Board of Health has advised that all milk and drinking water be boiled. No cases of typhoid have been reported in Narberth to date, but, due to the proximity of the epidemic, caution is advised.

The disease has been traced to two dealers selling "raw" milk, and the water supply has been given a clean bill of health. It is said, however, that it is possible that streams from which the water supply is drawn will become contaminated; hence the precautionary advice to boil water.

Narberth Drops Game To Ardmore Team

SHUT OUT IN SATURDAY'S GAME—THREE BIG GAMES TODAY AND MONDAY, LABOR DAY

Lefty Black, pitching for Ardmore, held Narberth to three hits in last Saturday's game. Narberth crowded the bases with none out in the first inning on a walk and two safe hunts, but Black settled down and struck out the next three batters.

Bob Hood pitched a good game for the local team, but had one bad inning, the fifth, when two walks and four hits brought in four runs.

Although Narberth has dropped to fourth place, the running is so close that today's and Monday's games may make some big changes in the standings.

Narberth's Annual Tennis Tournament To Start To-day

TENNIS ASSOCIATION'S BIG 1921 CLASSIC OPENS AT 2 THIS AFTERNOON—MATCHES ALL DAY MONDAY

With a list of entries that promises to exceed that of any previous year, the annual Labor Day Tournament of the Narberth Tennis Association, will open this (Saturday) afternoon, at 2 o'clock on the new courts at Haverford and Montgomery avenues.

There is every reason to believe that it will be the most interesting tournament ever held in Narberth.

Matches are scheduled for all this afternoon, and all day Monday, Labor Day.

With seven courts—more than the Association has ever had in past tournaments, this year's big event will probably be run off in quicker time than any other tournament.

Looks Like Best Tournament

Playing, too, ought to be faster, and the matches better in every way, for the new courts are in excellent condition, and will be given the final "dressing up" on Saturday morning.

The Tournament is in charge of the Tournament Committee, composed of Robert E. Pattison, Jr., chairman, A. T. Grugan and W. J. Kirkpatrick. Entries closed last night, Friday, at 6 P. M.

The first matches to be scheduled will be the singles and doubles. As soon as the first round in each event is concluded, drawing will be immediately made for the Consolation Singles and Doubles. So every member is assured of plenty of playing not only this afternoon, but throughout Labor Day.

We wish every mother and father of the boys and girls in Narberth to attend, so as to give their views as to how we can help in the betterment of our school system. There will be plenty of speakers who will explain how an organization of this kind will aid the School Board in making our school system one of the best. This is nothing new, but wherever a parents' organization has been formed, the record of the school went up over 50%.

SPARROW ARGUERS—ATTENTION

The controversy on the exciting subject of whether or not the sparrow is a fit companion for the younger and older generations of Narberth has furnished considerable entertainment, and some information to the readers of Our Town.

The time has come, however, when the demands on space in our columns are amounting to somewhat more than the size of the paper, and the available space must be used to the best interest of our local organizations, therefore—

Any and all controversial communications or articles on the subject of the English sparrow (passer domesticus) will be withheld from publication after our issue of September 10th. Final arguments on the matter from any interested sources will be published next week, and unless introduced as a part of an article on winter feeding of birds, now being planned, further mention of this bird will not be made until next summer.

CHINESE LAUNDRY COMING TO NARBERTH—MAYBE

There is a sign on the window at 209 Haverford avenue which speaks thusly:

"After alterations this place will be opened as a first class scientific Chinese laundry."

Another sign reads

"Rented by George A. Jones, 5326 Girard avenue, Philadelphia."

Why should Mr. Jones be proud of the fact that he wished a Chinese Laundry on Narberth's main street? Are we to have the celestials as our neighbors? Did our Chamber of Commerce make a bid for this addition to our community?

BUILDING AND LOAN

The fifth series of the Narberth American Legion Building and Loan will be opened at the Legion Headquarters on September 6th.

The very successful year just experienced by the Association gives promise of a rapid growth in the future, Narberth is fortunate in its possession of two first-class building and loan organizations.

Home building and home owning are two of the prime factors in community life. One of the greatest handicaps to home building is the financing of the work, and the B. & L. stands as the organization existing for that purpose.

From the standpoint of the stockholder these Associations form one of the soundest and most profitable investments possible. A share for the short-term stock costs only two dollars a month bringing in two hundred dollars within a period of seven years. All-in-all, it forms a very safe method of saving up for a rainy day.

Communications

SOME ALTRUISTIC REASONS WHY WE SHOULD HAVE A BUS LINE.

To the Editor of Our Town:

If for no other sensible or logical reason whatever, a Narberth bus line should be an established factor of our Borough for the one magnanimous purpose of supplying an unending source of amusement and entertainment.

Let me recite some actual happenings this one bus rider has so thoroughly enjoyed while sojourning to and fro the big metropolis.

For instance, it is so funny to see some enthusiastic bus rider on a rainy day perform for the benefit of the bus occupants while making a wild, mad short-cut over a neighbor's slippery, muddy lawn and trying in vain to retain his straw coverage, keep his balance, and maintain a somewhat respectable appearance and pleasant expression. Oh, to be an artist to portray this little feat as it really appeared! And, strange as it may seem, most of the funniest incidents occur along Montgomery Pike, which has always been deemed a most dignified locality!

Just a few mornings ago, one of our esteemed young married men rushed frantically out of a corner white house on the north side of the Pike, grabbing in one hand a suit case, while in the other hand a nice piece of buttered toast! After gaining access to the vehicle, he suddenly tried to hide his fistful of sustenance, but it was too late. By that time each of his bus-colleagues was wearing a responsive chuckling grin, and 'twas no use! So our young married friend beat a hasty retreat to the back seat and—finished his buffet breakfast.

Now you know very well that one could not have "all the comforts of home" like that in a railroad train, even if one did live near enough to try it. And that in itself is argument enough in favor of the bus line; you can't dispute **that!**

Another feature or headliner that beats Keith's—even with a ringer like Ethel Barrymore playing a stenog. part —is the useless effort of two average-sized people to sit on one seat together and act composed, while clinging to space (that's merely all, just **space)** as each corner presents repeated dangers of sprawling prettily in the middle of the aisle!

On a home journey the other night one man had only one measly chance —a seat on the edge, beside a woman of extreme dimensions. He sat down —or made the motions—and immediately proceeded, with a very strained expression, to fight, and fight hard and manly, for that spacious haven all the way to Cynwyd, when the lady in question dismounted, and, oh, such a look of divine relief spread over that man's mien! 'Twill ne'er be forgot!

Now, one more vital point in favor of this expeditious transportation line (although, to be exact, there are 101 favorable arguments) is the fact that it is a very great and vital aid to indigestion! Zat's a **fact.** One can climb the bus after a big, hearty, man's-size meal, and by the time that one arrives at the Sixty-third Street Terminal, bejabbers, he's ready and willing to consume that big dinner all over again! One of the mottos of this bus line is: "Shake well before dropping." Especially is this aphorism true if one has the courage to ride on the back seat with only a few passengers on board to hold it down!

BE THAT AS IT MAY, we like the old bus line with all its jolts and bumps and funny episodes, and hope it's a permanent "institution."

A BUS RIDER.

The Community Library

All of the Y. M. C. A. books, which are being circulated free of charge in connection with the Community Club collection at the Community Library, have now been carded and cataloged and are available for circulation. Many fine old standard works, notably Thackery, Dickens and Bulwer-Lyton, are included in this free collection. There is an increasing interest shown by patrons of the librray in this collection of free books and many of them are now in use. Among non-fiction books issued this summer, the one which probably attracted the greatest attention, was "Mirrors of Washington," which appeared anonymously like "Mirrors of Downing Street," the English book which undoubtedly gave the unknown American author his inspiration. "Mirrors of Downing Street" has been on the local Library shelves for several weeks and the general circulation of it undoubtedly caused the demand for "Mirrors of Washington,"—a demand which the library was glad to meet, and "Mirrors of Washington" is now available for local readers. It is political and sharply personal and therefore controversial, but well worth reading.

The collection of current magazines available at the Library is now so extensive in numbers and range of interests as to explain the constantly increasing patronage of that division of the Library.

Last Friday afternoon and evening were busy periods for the library attendants, because the exchange of books was the largest yet recorded, and the display of birds nests aroused much interest. It has been decided to keep the birds' nests on display through next Friday. Nests of 10 different birds are shown, some of them quite rare and others beautiful in texture and design. The one which attracted the greatest attention, however, was that what was called "the robin apartment house," a cluster of three nests built in the same place by robins on three succeeding seasons. The Library is open regularly each Friday from 2 to 5.30 in the afternoon, and from 7 to 8.30 in the evening.

The pastor, who has returned from Ocean Grove, N. J., where he has been attending and assisting in the great camp meeting, will be in the pulpit next Sunday and administer communion and will preach morning and evening, September 11th.

The meanest man in the world, is the one who tries to convince his son, after he has seen the parade, he has virtually seen the whole circus.

STAPLETON—DIAMOND

St. Margaret's Church was the scene of a very pretty wedding, when on Tuesday, August 30th, Miss Ruth H. Diamond, of Narberth, was united in marriage to Mr. John W. Stapleton, of Philadelphia.

The wedding, which took place at 10 o'clock was attended by many relatives and friends of the couple. The bride was given away by her father; the best man was the groom's brother, Mr. Edward P. Stapleton. Miss Frances K. Diamond, the bride's sister, was maid of honor, and little Harriet Marsh acted as flower girl.

The bride wore a white satin gown with court train, caught at the waist. The bridal veil was clasped to the head with a wreath of orange blossoms. She carried a bouquet of orchids, lillies of the valley, and white roses. The maid of honor was charming in a dress of honeydew organdie, with a picture hat. She wore a bouquet of small mixed flowers.

A wedding breakfast at the bride's home followed, the couple then leaving for a honeymoon trip to Lake George and Canada.

CIVIL SERVICE OPPORTUNITY

In connection with the announcement of the civil service examination to be held at Narberth on September 17th, attention is called to the following attractions of the positions in the United States postal service.

A youth of 18 years can earn at least $1,800 a year, possibly $200 additional, when he is 22 years old, as post office clerk or city letter carrier. Even no more than $1,800 means $6.40 a day, 52 Sundays, 7 holidays, 15 days annual leave, and a possible 10 day sick leave included. The Post Office Department, with a shortage of eligibles to be such workers generally, has issued an attractive statement of the advantages of employment in those positions.

ANOTHER "RAINMAKER" BOBS UP.

The following dispatch appeared recently in the San Francisco Chronicle:

Medicine Hat, Alberta.—A contract calling for increased rainfall between May 1 and August 1 was signed by the United Agricultural Association with "Rainmaker" Hatfield. Just how the rainstorms are to be made to order is not set forth, but Hatfield will be paid $4,000 an inch, with a maximum of $8,000 for a four-inch rainfall. He is to be given credit for only half of the total precipitation, however, the inference being that Providence deserves credit for the other half.

AMERICAN LEGION BUILDING AND LOAN HAS PROFITABLE YEAR

(Continued from Page 1)

John A. Mowrer, Jr., S. Robert Ross, Harry A. Simpson, Edwin P. Wipf, H. Newton Compton, Clarence T. Fairies, M. D., Harry A. Jacobs, Arthur C. Kohl, Alban E. Reid, Alexander C. Shand, Jr., Horace T. Smedley, Fletcher W. Stites.

The officers are: Clarence T. Fairies, President; Alexander C. Shand, Jr., Vice-President; Harry A. Simpson, Secretary; Horace T. Smedley, Treasurer; Walter M. Burkhardt, Esq., Solicitor.

Meetings are held at 7 P. M. first Tuesday of each month in the Log Cabin, Narberth and Haverford Avenues.

Promoting Home Building.

The Association has pursued a progressive policy in making its loans and is seeking to use its money truly in the direction of home building and home owning. At this time it is assisting in the construction of two high-grade homes in Narberth and will extend this field of usefulness as fast as its resources are built up through stock subscription. The scarcity of houses is apparent to everyone and not the least of the obstacles to new construction is the financing of the work. The Association is seeking to give service in financing to home builders and owners in the community with sound security and attractive returns to the investors in its stock.

Double Share Attractive.

Opportunity is afforded now for the investor to buy double shares, which should mature under average conditions in less than 7 years. Instead of paying $1 a month for each $200 share, the investor pays $2. It is much more pleasing to some persons to receive their return in the shorter period, but the opportunity will still be open for the person of different taste to buy single shares and let his money compound longer to his greater ultimate advantage.

Directors Will Receive Subscriptions.

Any of the directors will receive subscriptions for stock and enter it at the meeting on Tuesday, or the investor may come in person to the Log Cabin between 7 and 9 P. M. Send the Boy to College.

Additional information about the Association will be gladly furnished by the secretary or any director. The Association is anxious to explain to anyone interested how it is possible to invest money safely and receive such a large percentage of return. The Association would also like to convince every parent how easily a fund can be built up to send the children to college with only a few dollars set aside each month.

The above department should be of the greatest use to the community, the list contains the name of every professional man, tradesman, mechanic, shopkeeper, etc., who does or can in any way serve his fellow-townsman, and who is progressive enough to add name to list of Register.

As it is difficult for those contributing their time and efforts to the production of "Our Town" to personally either know or interview all such, it would be most helpful if those not now found in the printed list would send in a memo of their names, address, phone numbers and businesses or professions for listing. This will cost as follows: 10 cents each issue for 2 lines; 5 cents for each additional line.

Just three weeks remain to get your dahlias and fall flowers in fine shape for our show in Elm Hall on the 24th.

Schedule will be reprinted on the 17th and 24th.

To the Merchants of Narberth:

Our Flower Show this year can use some more prizes and we would like very much to have our local merchants offer something to encourage our flower growers.

In next week's issue we will print the names of the merchants and the prizes offered.

The prize-winning flowers will be given to the storekeepers for window display.

Dahlia Shows are getting more popular, due to the great improvement in the flower during the last few years and the ease with which they can be grown by the amateur.

Most of the shows offer a silver cup for the best eighteen dahlias from any Horticultural Society or Garden Club, the flowers to be cut from one or more gardens in the town which enters the exhibit. These Interborough Classes, as they are called, are on the schedules of the following shows:

September 10th—Norwood Horticultural Society, Norwood, Pa.

September 17th—Morton and Rutledge Horticultural Society, Morton, Pa.

September 30th and October 1st—Pennsylvania Horticultural Society, Bryn Mawr, Pa.

September 30th and October 1st—Collingswood Horticultural Society, Collingswood, N. J.

Wouldn't it be nice if Narberth could bring home a few of these cups?

Tennis Tournament Starts To-day

(Continued from Page 1)

will be posted by the Tournament Committee, before the first matches go on. All of the courts will probably be used on the preliminary rounds, but as soon as these are concluded, certain of the courts will be set aside for the use of those members who have been eliminated.

Big Time on Monday

Monday, Labor Day, will be a big occasion. Tournament matches will be played all day, starting at 9 A. M., and continuing until 12 o'clock noon. Noon "recess" will then be taken and the tournament resumes at 2 o'clock.

Members of the Ladies' Committee will be on hand and prepared to sell "hot dogs," sandwiches, and liquid refreshments throughout the day—especially at noon time, so that members and their families may go to the courts in the morning and make a whole day's holiday of it. The club building will be open to members, their families and friends, and everything possible done to make everybody comfortable and happy.

Thanks to Chairman Cowin of the Grounds Committee and the Board of Trustees, the courts and grounds around the courts, and the club building will be all "primed up" for a big time for players and spectators alike.

The Tennis Association extends an invitation to all residents of Narberth who are interested in tennis to come to the new courts and witness the tournament matches.

CHANGES MADE DURING WEEK PAST IN THE TENNIS RATING CONTEST

While interest among members of the Narberth Tennis Association has been centering this past week on the annual tournament which opens this afternoon, a number of rating matches were played which resulted in several changes in positions.

Cowin defended himself successfully against a second "attack" from Glose, winning two straight sets, 6—4, 8—6, and later moved up to No. 12 by defeating Staples after three hard sets, 7—5, 6—2, 6—2.

Glose and Follin have been having a "brotherly scrap" for No. 14. Follin, who was No. 16, moved up a peg, taking the place of Hall, who defaulted on account of his being away on vacation. In the first match between Glose and Follin, the former won 6—4, 6—4, but in a return match, Follin turned the tables on his doubles partner, winning 6—4,6—2.

Whitney retained his hold on No. 7 by defeating McKell, 6—1, 6—4. Pattison defeated W. Fretz 6—3, 6—3, and the latter is now scheduled to play Cowin in an effort to get a rating. Hartley defeated Scanlin, 6—0, 6—0.

Don't stick with the prunes

MY DAD'S favorite yarn.
WAS THE one about.
THE OLD storekeeper.
WHO WAS playing checkers.
IN THE back of the store.
AMONG THE coal oil.
AND THE prunes.
WHEN THE sheriff.
WHO HAD just jumped his king.
SAID "SI there's a customer.
WAITIN' OUT front."
AND SI said "Sh-h-h!
IF YOU'LL keep quiet.
MEBBE HE'LL go away."
NOW HERE'S the big idea.
WHEN A good thing.
HAPPENS ALONG.
DON'T LEAVE it to George.
TO GRAB the gravy.
F'RINSTANCE IF.

YOU HEAR of a smoke.
OR READ about a smoke.
THAT REALLY does more.
THAN PLEASE the taste.
THERE ARE no hooks on you.
THERE'S NO law against.
YOUR STEPPING up.
WITH THE other live ones.
AND SAYING right out.
IN A loud, clear voice.
"GIMME A pack of.
THOSE CIGARETTES.
THAT SATISFY."

YOU'LL say you never tasted such flavor, such mild but full-bodied tobacco goodness. You're right, too, because they don't make other cigarettes like Chesterfields. The Chesterfield blend *can't be copied.*

Have you seen the new AIR-TIGHT tins of 50?
